

# Tape Green

Single-sided adhesive tape in PE with acrylic glue and PET-scrim  
Riwega | eternitycomfort

Safety data sheet *Tape Green*

of: 29/03/2021

pp. 1 / 3

Rev.03 of: 29/04/2025

## SECTION 1: Identification of the article and company

|     |                        |   |
|-----|------------------------|---|
| 1.1 | Product(s):            | TRADE NAME: <i>Tape Green / Tape Green 60</i><br>CODE: 02040161 / 020401616                                     |
| 1.2 | Intended use:          | Main user group: SU3, SU21 and SU22<br>Product category: PC1 (adhesives, sealants)<br>Process category: PROC 10 |
| 1.3 | Manufacturer/Supplier: | RIWEGA Srl<br>Via Isola di Sopra, 28<br>39044 Egna (BZ) - ITALY<br>Tel. +39 0471 827500                         |
| 1.4 | Emergency advice:      | Camper Werner<br>Tel. +39 0471 827500<br>e-mail: info@riwega.com  |

## SECTION 2: Hazards identification

|     |                     |                |
|-----|---------------------|----------------|
| 2.1 | Hazard description: | Not applicable |
| 2.2 | Hazard statements:  | Not applicable |

## SECTION 3: Composition/information on ingredients

|     |                            |                                |
|-----|----------------------------|--------------------------------|
| 3.1 | Chemical characterization: | Adhesive based on polyacrylate |
| 3.2 | Hazardous ingredients:     | Not applicable                 |

## SECTION 4: First aid measures

|     |               |  |
|-----|---------------|--|
| 4.1 | Inhalation:   | No special actions necessary   |
| 4.2 | Skin contact: | Wash with soap and water. If irritation persists, consult a physician                |
| 4.3 | Eye contact:  | Rinse immediately with plenty of water. If irritation persists, consult a physician. |
| 4.4 | Ingestion:    | Rinse the mouth and drink plenty of water. Seek medical advice if you feel unwell.   |

## SECTION 5: Firefighting measures

|     |   |   |
|-----|---|---|
| 5.1 | Suitable extinguishing agents:                      | Water, CO <sub>2</sub> , foam and powder. |
| 5.2 | Extinguishing agents unsuitable for safety reasons: | None                                      |
| 5.3 | Special hazards arising from the article:           | Not applicable                            |
| 5.4 | Special protective equipment:                       | Not applicable                            |

## SECTION 6: Accidental release measures

- |     |                          |                         |
|-----|--------------------------|-------------------------|
| 6.1 | Personal precautions:    | Avoid physical contact. |
| 6.2 | Methods for cleaning up: | Take up mechanically.   |

## SECTION 7: Handling and storage

- |     |                  |  |
|-----|------------------|--|
| 7.1 | Handling:        | No special actions necessary.            |
| 7.2 | Fire protection: | No special actions necessary.            |
| 7.3 | Storage:         | approx. 21 °C and 50 % relative humidity |

## SECTION 8: Exposure controls/personal protection

- |     |                      |  |
|-----|----------------------|--|
| 8.1 | Components:          | Does not contain substances for which an occupational exposure limit has been established. |
| 8.2 | Personal protection: | Respiratory protection: Not applicable   |
|     |                      | Eye protection: Safety goggles   |
|     |                      | Hand protection: Suitable protective gloves  |

## SECTION 9: Physical and chemical properties

- |     |                      |                          |
|-----|----------------------|--------------------------|
| 9.1 | Appearance:          | Solid                    |
| 9.2 | Color (of adhesive): | Transparent              |
| 9.3 | Odor:                | Weak characteristic odor |
| 9.4 | pH-value:            | Not applicable           |
| 9.5 | Density:             | Not applicable           |

## SECTION 10: Stability and reactivity

- |      |                                   |  |
|------|-----------------------------------|--|
| 10.1 | Stability:                        | Stable under normal storage and handling conditions. |
| 10.2 | Hazardous decomposition products: | Not applicable                                       |

## SECTION 11: Toxicological information

- |      |                      |                                   |
|------|----------------------|-----------------------------------|
| 11.1 | General indications: | There is no information available |
|------|----------------------|-----------------------------------|

## SECTION 12: Ecological information

- |      |                         |                      |
|------|-------------------------|----------------------|
| 12.1 | Ecotoxicity:            | Poorly biodegradable |
| 12.6 | Additional indications: | No water hazard.     |
